

The current Mission Statement of the Friends of Taos Charter School is as follows:

In supporting the complete education of the mind, body and spirit of our students, the mission of the Friends of Taos Charter School is to advocate for the care and protection as well as academic excellence of our students. To accomplish this, we:

- a. Raise money to complete the campus with a gym and multipurpose building.
- b. Assist with financially sustaining the school in the future.
- c. Promote community within the parents, student and faculty bodies.
